CUSTOMS CLEARING

IMPORT & EXPORT

Our custom clearance professionals provide fast, accurate, "hassle free" clearance and around the clock accurate accounting of your goods. Customs clearance is a time consuming and tedious process due to complicated steps. Handover the documentation and relax yourself. Most of the time you do not have to pay customs and port charges up front as we have the required processes in place with respective authorities.

As part of our door-to-door service, we offer custom clearance for import & export shipments to/from Bangladesh. We have a full-fledged clearing department to process documentation and co-ordinate transportation. EDI facilities linked to Customs that enables us to expedite clearance of shipments and provide a professional handling for our customer's merchandize.
